Description

[[PrewikkaPro]] 0.9.14.2

In Prewikka Agent View, where the various agents/sensors can be grouped, and they display how many are online/offline, it shows for example: "5 Onlines" or "2 Onlines". The trailing "s" should be dropped, so that it displays as "5 Online" or "2 Online".

I did not notice if the same happens for offline sensors, but if there is a trailing "s" there, it should be removed as well.

Thanks,

Scott
