

Libprelude - Bug #886

Sometimes, test-lock from libmissing wont works

05/14/2017 02:19 PM - Thomas ANDREJAK

Status:	New	Start date:	05/14/2017
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Resolution:			
Description			
Same issues in coreutils and other packages : http://pkgs.fedoraproject.org/cgit/rpms/coreutils.git/commit/?id=8d346246			
Hope that gnulib will update this test
